## THE HUBBELL-HOPLEY JOINT SALE OF SHORTHORN CATTLE

### How to Get to Helfred Farms

The above map shows the location of Helfred Farms from Des Moines.

Parties coming in by motor from the south over Highway 65 can turn off on the Army Post Road just south of Des Moines and drive directly west to the farm. This is a good gravel road. Watch for the big sign indicating the location of the farm on No. 65. Coming in from the north, follow West Grand Avenue west to the junction of Nos. 7 and 32. There will also be a sign there indicating the route to the farm. The same applies to parties coming in over Highways Nos. 32 or 7. We shall endeavor to have road signs so placed at these strategic points that strangers will have no trouble finding their way to the farm.

Come early and inspect the cattle before the sale begins. Lunch on the farm at 12:00 o'clock, served by the ladies of one of our community churches. Sales begins at one o'clock.

**WATCH FOR THE ROAD SIGNS**

# *Announcement*

We cordially invite all who are interested in Short-horn cattle to attend the sale which we are having at Helfred Farms on Saturday, May 2.

We are proud of our offering, comprising as it does representative individuals from our two herds.

The young herd and show bull prospects, of which there are seven, carry an inheritance of productivity and quality that will add breeding strength and advertising value to any herd.

The females are the equal of those retained in the herds. It has been our desire to present the best possible individuals. They are of the best blood lines and the large majority are carrying the services of our herd bulls.

We are placing these cattle in your hands, for your appraisal, with the feeling that you know their value to you and to your herd.

We are looking forward to having you with us sales day and will do our best to make the day both pleasant and profitable for you.

HARRY HOPLEY  
F. W. HUBBELL

# *The Present Herd Sires*

### COLLYNIE CLIPPER STAR 1554906

Collynie Clipper Star is the undefeated grand champion bull of the 1930 show season, showing at the Iowa State Fair, Ak-Sar-Ben at Omaha, Kansas National at Wichita, American Royal, and Chicago International. At these five shows he met and defeated the best bulls of the breed and is today the outstanding Shorthorn bull of America. His first crop of calves are on the farm now and their apparent quality is in keeping with the superior individuality that made his last season's showing an achievement of consistent conquest. Few bulls of any breed have acquired more popular favor in a life time of showing than he has accomplished in one year and that in his senior yearling form.

In the November 10th issue of the Shorthorn World, Will Johnson says: "Helfred Farms' senior yearling bull, Collynie Clipper Star, a son of the great Collynie Clipper Crest, is the best bull the writer has seen in his many years of attendance at shows in America and a few abroad. He combines the character of a true stock bull with the form and type of a great beef animal, the thickness and quality of flesh of a finished show beast, and the dark even roan that is the most beautiful color that ever adorned a bovine specimen, male or female. And with all of that, he is weighing twenty-one hundred pounds at two years and six months of age. From his sire he inherits the best blood of the Scottish herds as developed in the famous herd of William Duthie. From his dam he inherits the improving blood of Whitehall Sultan that was handed down through the great bulls bred at Anoka's noted nursery. In my many years of the closest kind of contact with the breed I have never seen one that so nearly suits my ideal of a stock bull as this grand champion Collynie Clipper Star."

### BROWNDALE GOLDSPUR 1464101

Browndale Goldspur was senior and grand champion bull of the 1928 International Live Stock Show at Chicago. He is a son of the noted Browndale Count, the bull that has made the Edellyn Farms herd of Thos. E. Wilson, at Wilson, Ill., world famous. As evidence of his inherited ability as a sire one of his first sons was junior champion of the 1929 Ak-Sar-Ben Show at Omaha, and was sold at a long price for export to Argentina. His calves of both sex, carry the impress of his superior individuality and rich breeding, as his sons and daughters in this sale will demonstrate. He is conceded the best herd sire ever used in the Hopley Stock Farm herds and that alone is saying a whole lot for a bull. A few of his daughters, or a son of his will add prestige and breed improvement to any herd. Several of the good females in this offering sell with calves at foot by Browndale Goldspur.

### FIRST OF ALL 1626138

First of All is a grand son of Ballylin Rodney. His sire, Choice of All, was sold to head the great Singleton Farms herd at Midlothian, Texas. His dam, Orange Blossom, was the undefeated champion of the Canadian shows for two years in succession, and a consistent first prize winner in her class in the leading shows of America. First of All was first and junior champion at Ogden, Ft. Worth and Oklahoma City, and junior and grand champion at the Mississippi Valley Fair at Davenport, Iowa; Minnesota State Fair, South Dakota State Fair, and Clay County Fair at Spencer, Iowa, in 1930 as a summer yearling.

In looking for a junior herd sire as an assistant to Collynie Clipper Star, Helfred Farms selected First of All as the best calf of his age available from many of the best herds visited for that purpose. His show record, to date, and the rich inheritance of breeding quality that is behind him makes us feel that his selection was well founded.

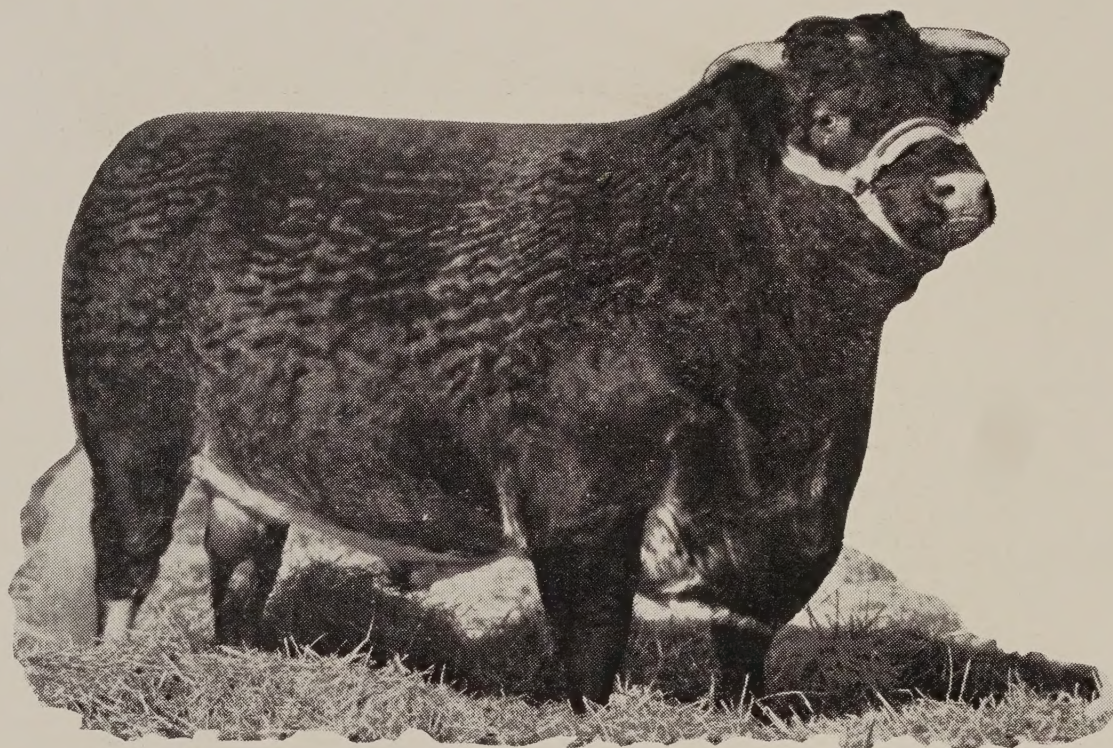

A few of the heifers in this offering are carrying the service of this great grandson of the immortal Ballylin Rodney.

### GOLDSPUR'S BANKER 1606899

Goldspur's Banker, a son of Browndale Goldspur, stood second in class at the 1930 Ak-Sar-Ben Show as a junior yearling, his only show. He is being retained in the Hopley Stock Farms herds as a junior herd sire and is a formidable successor to the throne of his sire. He is of such outstanding individual quality, and comes from such a strong producing line of dams that he is being used freely on the daughters of Browndale Goldspur with a degree of certainty as to the results. The lineal inheritance of a bull possessed of his individuality and breeding is the source of breed improvement from which good results are always obtainable and we anticipate great things from Goldspur Banker. A few choice heifers in this offering carry his service and offer a rare opportunity for constructive breed improvement.

Goldspur's Gauntlet, a son of Browndale Goldspur, is one of the best prospects for a show and breeding bull to be sold this season. He comes from one of the most popular families of producing dams of the breed and we think him one of the best bulls ever bred at the Hopley Farms.

His dam, Lady Gloster 10th, was the highest selling female of the 1929 Central Show and Sale and is considered one of our best breeding cows. He is a beautiful dark roan, with deep natural fleshing qualities, low to the ground and will make a real show and breeding bull. From a straight bred Cruickshank Duchess of Gloster line of dams his breeding is about all one could ask for.
